Myladié Stoumbou, Regional Director for Partner Business Development, Microsoft

Myladié Stoumbou is an experienced digital executive, leader and strategist. She specializes in building and transforming global and diverse high-performance teams, as well as in assisting businesses to leverage opportunities from 4th industrial revolution and current exponential technologies. She has worn many hats in her professional career – started as systems engineer and a programmer, developing into a digital technology and innovation evangelist and later into a regional executive. She has been working in multinational environments for many years and has a unique ability to manage multi-disciplinary projects, to navigate non-standard challenges and to solve complex problems. She is currently working as a senior regional director for Microsoft, and she goes beyond that. She is a women leadership advocate, Chair of the Women in Business Committee for American-Hellenic Chamber of Commerce, and a mentor for Women Leadership Program in European Innovation Center. She supports digital entrepreneurship as a mentor for MIT Enterprise Forum in Greece and a judge for Envolve Entrepreneurship Award. She is an international keynote speaker addressing topics like leadership, future of work, diversity and inclusion, artificial intelligence and digital entrepreneurship. She has 3 TEDx talks, and she is the author of many articles in LinkedIn as well as many prestigious sites in Greece and abroad, including Huffpost.
